

ABOUT US

WHO ARE WE?

C2C Sport are leaders in the active wear space in Australasia.

We are determined to provide well-designed, high quality active wear, and sporting merchandise that will ensure that those wearing the Team Wear will #BeUnstoppable both on and off the court. C2C Sport are merchandising and apparel partners with a number of elite sporting teams, including the Australian Diamonds, NSW Swifts and GIANTS Netball.

But most importantly, we treat our community and grassroots clubs with the same care and passion as our elite sporting teams, as we understand the pressures on volunteers and club administrators across all levels of the game. We aim to make the process of kitting out your club members, players and supporters as easy and time-saving as possible.

HOW CAN WE MAKE TEAM WEAR EASIER FOR YOU?

We produce high quality sporting team wear – everything from uniforms and warm up tops, to training tights, sock, supporter hoodies and team beanies! Ask us and we have some designs that we can share with you. We also have a great online portal – called **THE LOCKER ROOM** – where we can stock your merchandise online and your club members can purchase directly from the portal. No need to handle money at the courts or make transfers that drive your treasurer crazy. Members can jump online, order their uniform and delivery will be made to their doorstep.

And for those people looking to refresh their Club or Team designs – our designers can help too. If you don't wish to use our online "Design Your Own" templates, then we can engage our designers to turn your creative ideas into a reality on fabric!

WHERE CAN YOU REACH US?

We have several offices. We have an office and merchandise pop up display at Netball Central, on Level 3 (2 Olympic Boulevard Sydney Olympic Park) - which super easy if you are visiting Netball NSW! Our head office is in Port Macquarie NSW, with our distribution centre and team based on the lovely mid north coast. But, no need to visit us - we have several ways in which to touch base!
